# Overview

btain information

- Address makes no sense to foreigner, streets is unknown spaces in Japan
- Japanese reviews is important, tourist review/guide is even more important

ake reservations  
automatically

- Create a protocol for reservation, meaning that we have two way interaction between hotel/restaurant with tourist without knowing Japanese
- Expand the protocol to police, clinic, hospital call

Go to places

- Local taxi/uber is an open market for tourism business.

## Position ourselves

- Government owned assets
- Business & profitable

## Prevent Reservation SPAM

- TOJA Charges tourist \$5 on each reservation
- If tourist cancel/doesn't come, TOJA pays \$5 to restaurant.
- If tourist come, he/she will get \$5 discount from restaurant. TOJA pays restaurant \$4 and keep \$1

# Growth in the Tourism Industry

# What do inbound visitors want?
